Saba Happy Paws Total Wellness™ ALOE & OATMEAL CUCUMBER & MELON SHAMPOO

Saba Happy Paws pH Balanced pet shampoo is specifically formulated with oatmeal and aloe vera to promote healing and a fresh invigorating feeling to the skin and coat. It is formulated with our exclusive Essence of Cucumber Melon to keep your pet smelling fresh. It can be used for dogs, cats, and horses, along with all topical flea treatments.†

LIPOSOME TECHNOLOGY

Retrieving and sustaining the most nutrients from healthy ingredients is the foundation of this technology. Liposomes enhance the effects of the

functional ingredients. The nano-sized liposome particles encapsulate the functional ingredients, adhere them to the surface, penetrate them through the skin, and allow the ingredients to areas where they can efficiently exert their beneficial effects.
